The San Diego Festival of Science and Engineering is buzzing with excitement as we introduce our brand-new College and Career Connections Pavilion. We aim to foster awareness and create meaningful connections for local high school and middle school students with our exceptional higher education and industry partners. Visit our new Pavilion from 11:00 AM - 5:00 PM to meet over 20+ education and industry partners who are excited to meet you.

**Below are a few of the institutions in attendance. We can't wait to see you at the Festival!**

**San Diego State University • Cal State University San Marcos  
Point Loma Nazarene University • National University  
Cuyamaca College • Miramar College • Southwestern College**

**Don't miss a special College Student Panel at 2:30 PM!**  
**Join the discussion to hear and learn from students**  
**about their experiences in college.**
