

WOMEN IN STEM

Celebrating International Women's Day

Thursday, March 8th

6-9PM | Serra Mesa Public Library

WOMEN TO WATCH

Join us this International Women's Day for an evening celebrating Women in STEM. Middle school, high school and college level attendees are invited to engage in an interactive exhibition, a series of mini "STEM Sessions" and round table discussions with CEOs of biotech companies, award-winning engineers and other inspirational women working in creative STEM fields.

**EVENT IS COMPLIMENTARY
PLEASE RSVP TO ATTEND**
