# STEM IN YOUR BACKYARD

Vista

## Sunday, March 5th

1:00 - 5:00 PM | Mainstreet Parking Lot

Celebrate STEM

**FREE FAMILY EVENT!**

STEM In Your Backyard features FREE, hands-on, and interactive STEM activities allowing for students families, and business leaders within your community to interact and engage in learning together. Meet a scientist or engineer and learn about all of the STEM that happens right in your backyard!

proudly supported by: **ThermoFisher**  
SCIENTIFIC
